THE QUEST FOR FUTURES LITERACY ONLINE COURSE

Erasmus + KNOWLEDGE ALLIANCE

www.futureoriented.eu

WHAT ARE THE SLIDES ABOUT?

- Project idea
- INVITATION to future competences survey
- Contact information

WHAT ARE WE WORKING ON IN THE PROJECT?

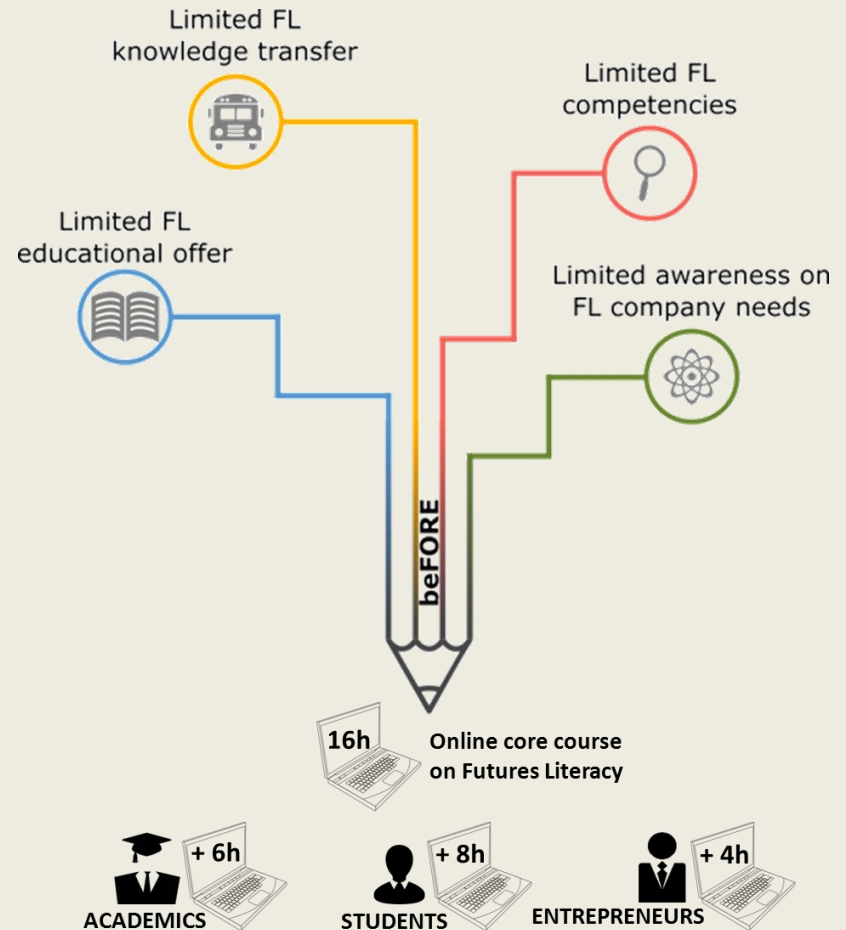

beFORE product visualisation

- Online course for an entrepreneur
- Online course for a student
- Online course for an academic

We aim to promote proactive attitudes and futures thinking skills in the context of:

- Future career paths among university students;
- Future research paths among university teachers,
- Future business opportunities for entrepreneurs.

All in all, we aim to increase appetite for further futures knowledge and long term thinking practices among project target groups and to increase awareness of their ability to influence the future even in the face of uncertainty and change.

WHAT ARE FORESIGHT COMPETENCES?

Riel Miller, UNESCO

Three basic competences of **Futures Literacy** according to Riel Miller are:

- Narrative capacity,
- Collective intelligence and
- Capacity to reframe.

Six basic competences of **Foresight** according to Association of Professional Futurists (2016):

- Framing,
- Scanning,
- Futuring,
- Visioning,
- Designing,
- Adapting.

ASSOCIATION OF
PROFESSIONAL
FUTURISTS
